

The Italian way of life: Venice – Premium Experience

Experience the city of bridges, gondolas and canals with private gondola ride and exclusive city tour.

Private Experience

Highlights

- ✓ Private speed boat ride through the lagoon
- ✓ Guided tour with local guide through the alleys of the city and on the water
- ✓ Private gondola ride along the Canale Grande with prosecco and "stuzzichini"

"Venice lures, captures, seduces with its light, its water air" once wrote German author Wolfgang Koeppen in his declaration of love for Venice. And it is probably true, hardly anyone is able not to fall in love with the city on the water. Hundreds of little islands, countless bridges, singing gondoliers and so much culture and history. After this adventure tour through the alleys and over the canals of the lagoon city, you too will write your declaration of love to Venice.

Venice: Queen of the Adriatic

In the morning of the adventure tour you will be picked up in a comfortable executive van directly at the hotel and drive to Venice. Already during the journey you will learn interesting facts about this beautiful Italian city from your personal guide. He is also the one who will organize your stay in Venice so perfectly that you can experience the city in a very exclusive and private way - a unique experience awaits you.

Private speed boat trip to San Marco

In Tronchetto you will change to a private speed boat that will take you across the Italian lagoon to the center of Venice. From the boat you will soon catch sight of the magnificent playful Renaissance palaces on the islands of the lagoon city, which were built on millions of wooden piles. After the leisurely boat ride, you will reach the world-famous Piazza San Marco.

Discover the most important sights of Venice on a private city tour

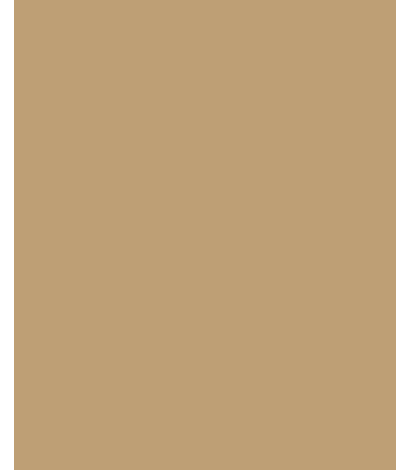

Here - in Venice's central square - your private, two-hour city tour starts with a local Venetian guide who is deeply rooted in this unique city. As a unique highlight, this tour gives you the opportunity to experience the city tour not only as standard on land, but also exclusively from the water. First you will see - in about 1.5 hours - St. Mark's Basilica (Basilica di San Marco), St. Mark's Tower (Campanile di San Marco) as well as the Doge's Palace (Palazzo Ducale) - but also some unknown spots as well as personal favorite places of your guide.

Exclusive private gondola ride with aperitivo

Afterwards, experience the magic of Venice on a romantic, private gondola ride. Together with your local guide, you'll pass under ancient bridges, marvel at the city from the water and explore Venice's most beautiful canals, such as the Grand Canal with the Rialto Bridge. And what better way to celebrate this exclusive private experience and celebrate the Italian Dolce Vita than with a glass of Prosecco and "Stuzzichini" - typical Italian appetizers that you enjoy on the gondola.

Discover one of the most beautiful cities in Italy

Venice is rich in history, art and architecture. In the past, the city was an important commercial and maritime power: favored by its geographical position, the "Queen of the Adriatic" controlled the main trade routes in the Mediterranean and acted as a bridge between the Orient and the Occident. Palaces and art treasures of the city still bear witness to its former wealth. On this tour you will not only see the most important sights, but also have the opportunity to get to know Venice's magnificent history, culture and architecture in a particularly exclusive way. Following the guided tour of enchanting Venice, enjoy some time in this unique city to stroll through the alleys and stores. At the end of the day, your guide will take you back to Tronchetto by speed boat, where your driver will be waiting for you to start your journey home.
